

Dear Stuart, Nicki and Shelagh,

Would you like more people to take your animal course and help your graduates become more successful?

naturallycomplementary.com has **thousands of visitors worldwide**, actively searching for and **finding holistic animal complementary and alternative medicine (CAM) courses and practitioners every day**. As a **leading animal CAM specific**, online directory and website, we can help you and your graduates achieve more success...naturally.

naturallycomplementary.com is:

- **Highly ranked** with Google and the other major search engines
- Easy to use with **superior** search functionality and results presentation in **multiple languages**
- A **prime** source for **independent** animal CAM consumer **reviews & recommendations**

How does this benefit you and your graduates?

We have a large loyal following of potential customers for you. The **first place they look for courses and practitioners** is the naturallycomplementary.com directory. We make it easy for them to **compare and contrast** schools and therapists in one place. They can:

- View listing **pictures, videos, pdf brochures**, detailed information and **independent reviews**
- Browse all the **events** and courses being run locally and worldwide
- Read **articles** by lecturers and other leading experts
- Check out the popular **promotions** directory pages

This enables them to **make decisions on which course to take or practitioner to book** quickly and easily. Saving them hours of frustration surfing the internet means we deliver them to you in a better frame of mind to **sign up for your course** and to **book appointments** with your graduates.

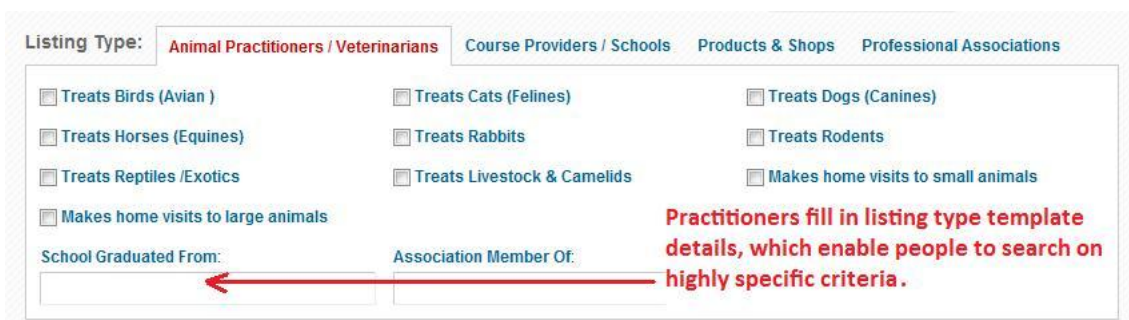

How we can help you and your graduates

For a limited time, we are offering reputable schools the opportunity to work in partnership with us. If you claim your existing free listing and upgrade to a showcase listing we will offer you:

50% off all event and article submissions (please use promotional code **SchNov15**)

50% off basic, premium and showcase listings plus template or a **free** listing and template for your graduates

We will then create an exclusive "promotions" page for your school and graduates. If you send us your graduates' details, we will upload them with a free listing and template. This saves them time and money and enables people to search on very specific criteria, such as "School Graduated from".

Listing Type: **Animal Practitioners / Veterinarians** | Course Providers / Schools | Products & Shops | Professional Associations
